### "GOOD, OLD VICTORIA, CARRY ON!"

The Review, and we feel all citizens of the Saanich Peninsula and Gulf Islands as well, join in extending congratulations to our beautiful Capitol City, Victoria, on the occasion of its 100th anniversary.

We are all proud of Victoria! It is a city that grows upon you. A city that is great in dignity, courtesy and fair play. A city composed of citizens who enjoy their homes, gardens, parks, golf courses and other beauty spots and are glad to share same with others.

Victoria is different — a city where people are NOT in that terrific rush characteristic of some metropolitan centres. Businessmen are not mental and nervous wrecks at 40 or 50 years of age through high pressure methods prevalent in some world centres. In other words they know how to LIVE.

We congratulate The Colonist and The Times, Victoria's morning and evening newspapers, upon their fine editions commemorating the city's century of growth and development. The citizens of our Capitol City have reason to be proud of their dailies as they are second to none in typographical appearances and editorial and news presentation — clean, home journals, devoid of sensationalism. We are happy to say that the dailies of Victoria co-operate with us in every way possible for the common good — in fact we find that all Victoria business firms are interested in the development and prosperity of the famous Saanich Peninsula and the beautiful Gulf Islands. This fine spirit of co-operation augurs well for the future, and we can all truly and sincerely say:

"Good, Old Victoria, Carry On!"

## DATE SET FOR GARDEN FETE IS JULY 8

GANGES, March 17.—The regular meeting of the Salt Spring Island Branch of the Woman's Auxiliary was preceded on Friday by the World Day of Prayer Service, held in St. George's Church, Ganges, at 2:30 p.m. The service was taken by Mrs. G. H. Holmes, who was assisted by Mrs. E. Parsons and Miss Helen Dean, with Mrs. Gordon Parsons at the organ.

Following the service the members of the Woman's Auxiliary met in the Parish Room. There was a good attendance and the president, Mrs. G. H. Holmes, was in the chair.

In the absence of Mrs. W. M. Palmer, the secretarial duties were taken over by Mrs. H. Johnson.

A report was given of the recent lantern lecture, "The Beauty Spots of Britain," by which the sum of \$21.75 had been cleared for the funds, this amount was included in the financial statement, showing a balance on hand of \$46.23.

A letter from Mrs. Bengough, diocesan treasurer, was read, it acknowledged, with thanks, the donation to the hospital at Kangra, India, and to the Orphan Mission.

After reporting on expenditure for no material, also on donations of wool, etc., received from Mrs. J. C. Kingsbury and Mrs. J. Byron, the doctress secretary distributed work to the members.

A proposal by Mrs. D. Simson that, this year, the annual church sale of work and garden fete be held in the early evening instead of the afternoon and that supper be served was agreed to, the date was fixed for Thursday, July 8, and Mrs. Simson's offer to arrange and convene a country fair stall was very gratefully accepted. All further details in connection with the sale will be left over for discussion at the next meeting, to be held on Thursday, April 8, in the Log Cabin, Ganges, after which there will be a small miscellaneous sale and tea. Stall holders elected were Mrs. F. Stacey, Mrs. H. Johnson and Mrs. W. Norton; tea convenor, Mrs. S. P. Beech, assisted by Mrs. Harold Price and Mrs. J. Byron, and all members of the auxiliary were reminded to bring tea bags.

A new member, Miss Meadows, was welcomed to the organization. Hostesses for the afternoon were Mrs. H. Johnson and Mrs. H. A. Robinson.

## ROYAL OAK

Mr. and Mrs. J. Marston, "Kentucky," East Saanich Road, announce the engagement of their only daughter, Lorraine, to Alfred Quayle, R.C.N.V.R., youngest son of Mr. and Mrs. J. Quayle, Quayle Road. The wedding will take place at 8 o'clock, Friday, March 26, in St. Michael's and All Angels' Church.

Mrs. P. Doran, East Saanich Road, returned Friday after spending a few days in Vancouver.

Mrs. M. Roberts, Youbou, B.C., has returned home after spending a week's visit with Mr. and Mrs. J. Barr, West Saanich Road.

P.O. J. T. Smith, R.C.A.F., Chatham, New Brunswick, is spending a few days leave with his parents, Mr. and Mrs. H. Smith, East Saanich Road.

was spent in recreation and singing. The meeting closed by the singing of "Blessed Be The Tie That Binds" and repeating the Missal benediction.

## Endeavour Chapter Dance On Friday

Members of the services and local citizens are assured of a good time if they attend the dance on Friday night, March 19, in the Agricultural Hall, Saanichton, sponsored by H.M.S. Endeavour Chapter, I.O.D.E.

A canteen supper will be served. The Bell Boys' Orchestra will be in attendance to play the latest in dance numbers.

## QUEEN WILHELMINA OF THE NETHERLANDS

Sir:—There appeared in a recent issue of "The United Nations Review" of New York, Queen Wilhelmina's Christmas Broadcast to her oppressed people in the Netherlands.

In her speech she expressed herself with a tenderness and compassion of a Mother to her children.

As a worthy scion of the house of Orange-Nassau she upheld the faith of her fathers who bled and died that the Netherlands might live.

It was her ancestor, the illustrious Prince William of Orange, surnamed "The Taciturn," who, when fatally wounded by an assassin's bullet at Delft (Holland) nearly 400 years ago, prayed with his last breath: "My God, have mercy on me and on this poor people!"

His prayer was answered and the Netherlands were finally delivered from the cruel Spanish yoke in 1648 after having fought to that end for 80 years!

With such a background in her mind Queen Wilhelmina advises her people to "seek first the Kingdom of God and His Righteousness, when all the other things shall be added unto them." She takes the lofty standpoint that true greatness is built on a spiritual foundation which may lead to material well-being as against materialism which never leads to true spirituality! An individual or a nation can do without material prosperity and live; they cannot live and prosper without that spirituality which emanates from God!

Her sympathetic speech was based on the comfort of the Gospel of the Grace of God as it is found in the Gospel of John, Chapter 3, verse 16, which Bible text she repeated word for word as a balm for the wounded spirit, soul and body of her beloved people: "For God so loved the world that He gave his only begotten Son, that whosoever believeth in Him, should not perish, but have everlasting life!" This transcends in the superlative all that time and sense can conceive or produce!

When we compare her speeches with those of Hitler, who in them is "breathing out threatenings and slaughter," an overwhelming assurance get hold of us that any nation with such a leader as Queen Wilhelmina cannot and shall not perish; Hitler, like a certain French agnostic, shall yet have to acknowledge, reluctantly but unequivocally nevertheless: "O Galileum, Thou hast conquered!"

Would to God more of our leaders in high places would not only sustain the name of God in all their war and after-war-plans speeches, but also the name of the Prince of peace, the Lord Jesus Christ, without whom no lasting peace is possible! This is being done by Her Majesty Queen Wilhelmina of the Netherlands!

## SAVE OUR SEA BIRDS!

Sir:—I heartily endorse everything that Mrs. Johnston has written about the wanton destruction of our sea birds. I was horrified to learn that our beautiful Heron (or Blue Crane as it is also called) had been shot. He has been a joy to many of us for several years, with his attractive flight across Patricia Bay and his graceful pose as he stood waiting to catch the small fish and eels which he feeds upon. No real sportsman would ever dream of shooting such a bird or the smaller sea birds such as divers and teal which we watch with such pleasure playing around our shores and beaches. It could only be the work of mischievous boys who know no better than to practise such wanton cruelty upon our feathered friends. I trust those in authority will see that these objectionable doings are stopped at once.

Sea birds and most other birds are the gift of God to beautify this world and cheer the sad hearts of many souls in these distressful times.

## Direct Hits On Lille Steel And Locomotive Works, Scored By U.S. Fortresses During Daylight Raid

The Nazi-run Fives-Lille Steel and Locomotive works, which produced 100 to 150 main-line railway engines yearly in addition to other valuable war material for Germany, was the target for a U.S. Flying Fortress daylight attack, November 8, 1942. The Fortresses, escorted by Spitfires, scored direct hits on the works and marshalling yards. Strong fighter opposition was encountered; a number of enemy planes were destroyed. Only one Fortress failed to return. Picture shows: Bombs bursting in the target area, seen from one of the attacking Fortresses.

## Bridge Club Adds To Polish Relief Fund

GANGES, March 17.—By organizing five tables of bridge recently, in Ganges Inn, the Men's Bridge Club realized \$7.50 for the Polish Relief Fund.

The prizes were won by the following: First (lady's), Mrs. W. M. Mount; second, Mrs. Charlesworth. First (gentleman's), Laurie Mount; second, J. M. Napier.

Among those present were Mrs. C. W. Baker, Mr. and Mrs. W. M. Mount, Mrs. M. B. Mount, Mr. and Mrs. Laurie Mount, Mrs. Malcolm Mount, Misses Anna and Mary Lees, Constable Cowan, Mervyn Hardner, Jackson, Gordon Lees, A. R. Price, Reginald Price, Dr. F. Verrinder, Wasmansdorf, Cyril Wagg.

## Christening At St. Mary's Church

FULFORD, March 17.—The christening took place on Sunday afternoon at St. Mary's Church, Fulford Harbour, of the infant daughter of Mr. and Mrs. Arthur J. Hopburn, Fulford Harbour, Archdeacon G. H. Holmes officiating. The child received the names Mignon, Louise. The godparents were Colonel and Mrs. J. Bryant and Mrs. A. Davis.

Following the ceremony a reception was held at the home of the parents, where the christening cake was cut, white tapers were on the table.

Among the guests present were Archdeacon and Mrs. G. H. Holmes, Miss Walker, Mrs. J. Hopburn, Mr. and Mrs. A. Davis, Billy and Ross Hamilton, Mrs. A. J. Mollet, Mrs. E. Tassell, Mrs. G. E. Akerman, Miss Margaret Akerman, Mrs. W. Y. Stewart and Ella, Mrs. O. A. Lacey, Misses Kathleen and Ruby Lacey, Colonel and Mrs. J. Bryant, Mrs. W. Cleary, Mrs. James Akerman, Mrs. L. A. Biltman, Ganges; G. Fitz-Gerald.

## Are You Mentally Lackadaisical?

SAANICHTON, March 17.—You wouldn't be if your son was depending upon a Red Cross parcel to keep him in health in an enemy camp, my sons, your sons, or is it just idle talk this "caring for each other" or this "building a better world"? If you think so, well, you are not only mentally lackadaisical but worse, you are mentally dead! Or so spoke a member of our Red Cross committee.

Think it over, then join the large number who have already subscribed. Hurry and send your subscription to Capt. G. A. Wyllys, treasurer for Ward Six Canvass, Saanichton. Your conscience will be clear and you can rest assured that you have at least helped — a little!

## John James Shaw Of Fulford Passes

FULFORD, March 17.—There passed away on Thursday, March 11, 1943, at St. Joseph's Hospital, Victoria, John James Shaw, age 78. Mr. Shaw was born in Glasgow, Scotland, and had been a resident of Fulford Harbour, Salt Spring Island, for the past 36 years. He leaves to mourn his passing his widow, three daughters, Mrs. L. D. B. Drummond, Fulford Harbour; Misses Gladys and Cree Shaw and one son, William J. Shaw, residing at his family residence at Fulford Harbour; also one brother and one sister in Glasgow, and another sister in Helensburgh, Scotland.

A large gathering of friends attended the funeral services on Saturday afternoon at St. Mary's Church, Fulford Harbour, at two o'clock, Rev. Archdeacon G. H. Holmes officiating. During the service the beautiful hymn "Lead, Kindly Light," was sung by the congregation. Many beautiful floral tributes were received testifying to the very great esteem in which the late Mr. Shaw was held by all in the community, in which he lived for so many years. His generous and heart-felt sympathy for others endeared him to the many who had the privilege of knowing him. In the past he took a keen interest in all activities in the community, giving generous support to all who asked, was a great worker and was vicar's warden at St. Mary's Church and delegate to the synod for many years. He was a member and took a keen interest in the work of the Red Cross. In the past he had been a director of The Lady Minto Gulf Islands Hospital and a member of the Salt Spring Island Development League. He will be missed by a large circle of friends.

The pallbearers were Colonel J. Bryant, H. T. Price, R. Price and W. M. Mount.

## MAYNE ISLAND

Roly Foster received a very painful fracture of his nose last week while at work. He is recovering nicely.

We are sorry to hear that Mrs. Houlgate has not been at all well of late. We wish her a speedy recovery.

The tomato houses, built on the land which J. Nagata bought from Captain Waugh, D.C.M., are not being operated this year.

A very severe epidemic of influenza has struck the Gulf Islands. The flu in itself is bad enough, but this epidemic unfortunately seems to develop all manner of complications more serious than the actual influenza!

We are glad to learn that Mrs. Dave Bennett is almost recovered

## PLAN FLOWER SHOW MAY 5

ROYAL OAK, March 17.—The March meeting of the Royal Oak Women's Institute was held in the Community Hall on Thursday of last week with the vice-president, Mrs. B. Hoole, in the chair.

Mrs. A. D. Corker presented the treasurer's report.

Wednesday, May 5, was set as a tentative date for the Annual Spring Flower Show held in the Community Hall. Mrs. A. D. Corker was named convener of the home made bread and bun stall. Decorated tables will be judged by popular vote.

A letter of thanks was received from the Local Ration Board for services rendered and use of the hall during the distribution of new ration books.

A cheque for \$12.00 will be sent as a donation to the Red Cross.

Mrs. Alfred Carmichael, guest speaker for the afternoon, addressed the members on the "Women's General Advisory Council."

The St. Patrick's card party in aid of the Solatium scheduled for Thursday, March 18, has been postponed.

## PENDER ISLAND

Mr. and Mrs. Giblin spent a few days in Vancouver last week.

H. Kirk has returned to his home after 10 days spent in Vancouver.

Mr. and Mrs. Robin McDonald have left for Vancouver after spending six months here.

Mrs. D. Taylor has returned to her home here.

A. E. Craddock is spending a few days on the island.

Mrs. S. Corbett has returned after a brief stay in Victoria.

Mr. and Mrs. Ralston, who have spent the winter at "Waterloo," have left for Vancouver.

Mrs. James Lowe has gone to Vancouver, where Mr. Lowe is engaged in war work.

Miss A. Auchterlonie is spending a few days on the island.

P. Reddyhoff has left for Vancouver, having joined the Canadian Army.

Mr. Tolpitt, sr., has returned home after visiting in Victoria.

Mrs. D. Constable and two daughters are visiting in Vancouver.

Roy Adams is spending a few days in Vancouver.

from her recent severe indisposition.

H. Cotton has left Mayne Island.

## Making Tracks For The Offensive: British Heavy Infantry Tanks

British "Churchill" heavy infantry tanks make good going over rough country during army manoeuvres. Armed with a 6 pounder gun giving it a heavy fire-power, the "Churchill" has a remarkable speed, while it is so heavily armored that it can be used as a pill-box fortress.

## REDUCE THE FIRE HAZARD

The danger of chimney fires is greater at present than at any time in Canada's history, due to the fact that the supply of seasoned dry wood is almost nil.

The burning of green wood soon coats the flues of chimneys with a hard creosote-like substance, and this accumulation becomes thicker and thicker and an ever-growing danger to one's home when same finally catches fire—in fact has resulted in many homes being destroyed.

We urge all our readers concerned to have their chimneys scraped and cleaned and not take chances.

There are other fire hazards, such as dense, dry grass and vegetation in the vicinity of buildings, defective wiring, faulty stovepipes, poor insulation where pipes enter chimneys, pass through walls, partitions, etc. Often fires are caused by live ashes. Live ashes should never be dumped on or near inflammable material.

Let's remove all the fire hazards we can and be safe! Let's do it now—without delay—for tomorrow may be too late!

## THE BRITISH COLUMBIA FARM LABOUR PLAN

BRITISH Columbia's fertile land can and will produce huge quantities of foodstuffs and vegetable seeds. War has taken away the husbandmen. Their labour must be replaced if food is to be produced. The machinery is now set up to organize citizens in another important army—a patriotic body of earnest volunteers prepared to do their utmost in this important phase of the war effort. Its successful operation must be assured if a food supply is to be produced, and can only come when every individual who can physically do some work volunteers and goes to that work when called upon.

The situation is serious and demands the careful consideration of British Columbia citizens—everyone of them whether in city or country. With the splendid records of war effort sacrifices already made by our Communities and in view of the dire need for food, the outcome of this farm labour plan can be awaited with confidence.

The largest delegation of farmers in history, representing all types of agricultural production, recently met the British Columbia Government. They asked for some organized plan of farm labour supply that would give reasonable assurance that what farmers plant this spring will be harvested in the fall. Specifically they asked that the Dominion Government be requested to participate on a cost sharing basis similar to that effective in Ontario.

The delegates as a body also met for the purpose of forming a committee to direct the organizing of all the farm areas so that each individual would have an opportunity of participating in the province wide community effort. The provincial districts are: Vancouver Island, Fraser Valley and Lower Mainland, Mainline, North Okanagan, South Okanagan, Kootenays, Central B.C., Peace River.

The Departments of Education, Labour and Agriculture have as well set up an inter-departmental committee to assist in this matter.

Given the enthusiastic co-operation and support of every man, woman and teen age boy and girl in city and country, the food production situation in British Columbia should rapidly assume a brighter outlook and there is now every hope that our armies and civilian population will be fed next winter.

## Brooder House At Galiano Destroyed

GALIANO ISLAND, March 17.—Commencing with an explosion, fire destroyed a brooder house at the home of Mrs. F. Price, "The Haven."

Of the 225 chicks housed in the building only 13 remained alive, the force of the blast scattering the small bodies over an area of several hundred feet.

Cause of the fire is thought to have been a leak from the coal-oil heater.

## N.S. Volunteer Fire Brigade Notes

By DAVE GORNALL

Weekly meeting on Tuesday evening attended by Chief Arthur Gardner, Bob Shade, Bob Jones, Arthur Neeves, Wilkie Gardner, George Gray, Frank Miller, Frank Cummings and Dave Gornall.

Practice was carried out with nozzles and pressure changes. The "Bickle" pump was set up beside a large well on the old mill property. Various size nozzles were used on different hose and the results noted as the pressure was increased. Discussion took place on the numerous combinations obtained from the experiments and the best noted for future use.

Experience was gained in handling the equipment as well as the knowledge of the results. Several members were the unlucky recipients of an unwanted shower-bath when a hose without warning burst under the high pressure. Oh, well, it's all in the life of a fireman!

Back at the fire hall, discussion took place on accessories needed for our new truck. After that the brigade adjourned to a local cafe for hamburgers and coffee.

All members are urged to be present next Tuesday at 7:30 sharp for immediate departure to work on the new truck.

## Copper Wire Goes to War

Vast quantities of copper wire are needed for the war effort of the United Nations. The wire goes into aeroplanes, ships, tanks, and innumerable other things. Copper is also required for many other purposes than wire. There is not enough copper to go around, so the Government has severely restricted the use of wire in the telephone business. We must therefore forego adding materially to our lines and equipment until after the war. This is the reason why many people who want telephone service are now unable to get it.

## From Youth to Age— Congratulations

We are a youthful business—not only in terms of years—but also because we serve only the younger generation—the grandchildren and great-grandchildren of those pioneers who created the beginnings of the city of Victoria.

In our four years in business we have made friends with hundreds of Victoria's children, their mothers, grandmothers and aunts. We know the good stuff of which they are made and on that we pin our faith in the continued success of our city, in a postwar world.

## THE STORK SHOP

Established 1930

631 FORT ST. OPP. TIMES  
VICTORIA

Stationery Store" is hardly comprehensive enough for a business that has expanded to eight floors in three separate buildings, offering Merchandise and Services comprising Stationery, Books, Lending Library, Office Supplies, Accounting Systems, Office Furniture, Artists' Materials, Printing, Lithography and Engraving, Bookbinding, Painting and Picture Framing, Pens, Pencils and Greeting Cards. No wonder that today this ever-expanding successor to the "Nice Stationer" is described as "Victoria's Most Interesting Store."

## CANADA FACES A WOOD-FUEL FAMINE NEXT WINTER

ARE YOU one of the Canadian householders who burned fences, doors, and even flooring to keep warm in this winter's sub-zero weather? Or perhaps you are one of the lucky ones who just managed to scrape through?

In either case, you will want to be prepared for next winter when greater hardships loom unless you take immediate action.

The shortage already has affected many communities... total stocks of dry wood are nearly exhausted... in some places the small supply of green wood cut for next winter is being used now to meet the present emergency.

Throughout most of Canada, fuel-wood is obtained not far from where it is consumed. Its production and distribution are the business of local citizens.

The Dominion Government recognizes that the wood-fuel shortage is so serious that even with the full co-operation of everyone, it has been decided to stimulate the output of wood-fuel by assisting those normally engaged in its production and distribution. To this end, the following measures will be adopted:

- 1 A subsidy of \$1.00 per cord will be paid to dealers on all commercial fuel-wood contracted for and cut on or before June 30, 1943, and held to dealers' account on that date.
- 2 The Coal Controller has been authorized to arrange in his discretion for the payment of such portion of the transportation costs as he considers proper in respect of fuel-wood, particularly in cases where dealers, to procure supplies, find it necessary to contract for fuel-wood at locations outside the area from which they normally derive their supplies. In order to obtain any such reimbursement, dealers must obtain a permit from the Coal Controller before contracting for such supplies.
- 3 The Coal Controller will repurchase from dealers at dealer's cost all commercial grades of fuel-wood on which a subsidy of \$1 per cord has been paid and which are still in dealers' hands as at May 31, 1944.
- 4 Assistance will be given in providing priorities for necessary equipment.
- 5 Farmers now on the farm, and who leave the farm temporarily in response to this appeal to engage in fuel-wood cutting, will be deemed by National Selective Service to be carrying out their regular occupation as farmers and will be given all the rights of deferment of military service which such an occupation now carries. Such temporary absence should not, however, interfere with agricultural production.

Municipal councils, farmers, fuel dealers, individual citizens, service clubs, and all other groups in communities where wood-fuel is burned, are urged to begin at once a rapid survey of their local situation, and to take immediate action to relieve the shortage.

**REPORT**  
TO CANADA AT WAR!

Last year, we hauled 150 million tons of materials, foods and munitions... double the pre-war traffic.

We carried Twenty Million NEW passengers... fighting men and war workers.

We built tanks, guns, shells, ships.

Twenty-two thousand of us were with the armed forces of our country.

Now, we are busier than ever providing the mass transportation that only the railways can furnish.

The country depends upon us to do this job. We must move the troops. We must handle freight. And, with your cooperation, it will be done.

## Helping to House Canada's War Workers

WHEN the huge shell-filling plant came to his town, Charles Hunter got to thinking about the critical shortage of housing . . . and about the two large cottages he owned. It wouldn't cost much to modernize and sub-divide them to make comfortable homes for four families.

He talked it over with his bank manager, who extended him a \$600 loan. With the money, Hunter not only converted his cottages but took part of the loan, along with some of his rental income, to remodel another house to accommodate eight single individuals.

With the aid of the bank Hunter helped to provide urgently needed homes for war workers. He has now paid off all but \$100 of the loan. A very small amount paid out for interest has thus enabled him to more than double his former revenues.

Such modest, highly useful loans typify the contributions that the banks make to Canadian enterprise. The above story is an actual case—only the name has been changed.

More than 5,000 experienced bank men out of 14,433 have gone into the armed forces since war began. This throws a greater burden on remaining staffs and now employees. Do your banking early in the day. Pay small bills by cash instead of cheque wherever possible. It all helps.

 Hundred Years.

The roots of faith in the future have grown deep in a hundred years . . . the appreciation of the loyalty of our friends and customers great and sincere . . . and although today the sternest of realities must be faced, we look to the time when a victorious peace is ours, and we again go forward together in the building of a greater and more beautiful Victoria, and its thriving outlying communities.
